"Past, Present, & Future: Honoring World AIDS Day"

The theme of this art show is "Past, Present & Future", and offers an opportunity to dive into the history of the fight against HIV/AIDS. Who have we lost to the HIV/AIDS epidemic? Who inspires you now? What can the future look like for the communities most affected by HIV? Using symbols, imagery, and creative energy, artists will come together to bring light to World AIDS Day while remembering and honoring those we lost.

This art show is open to all artists in the Connecticut area. **Artists living with HIV, artists of color, queer artists, and artists personally affected by HIV are strongly encouraged to submit.**

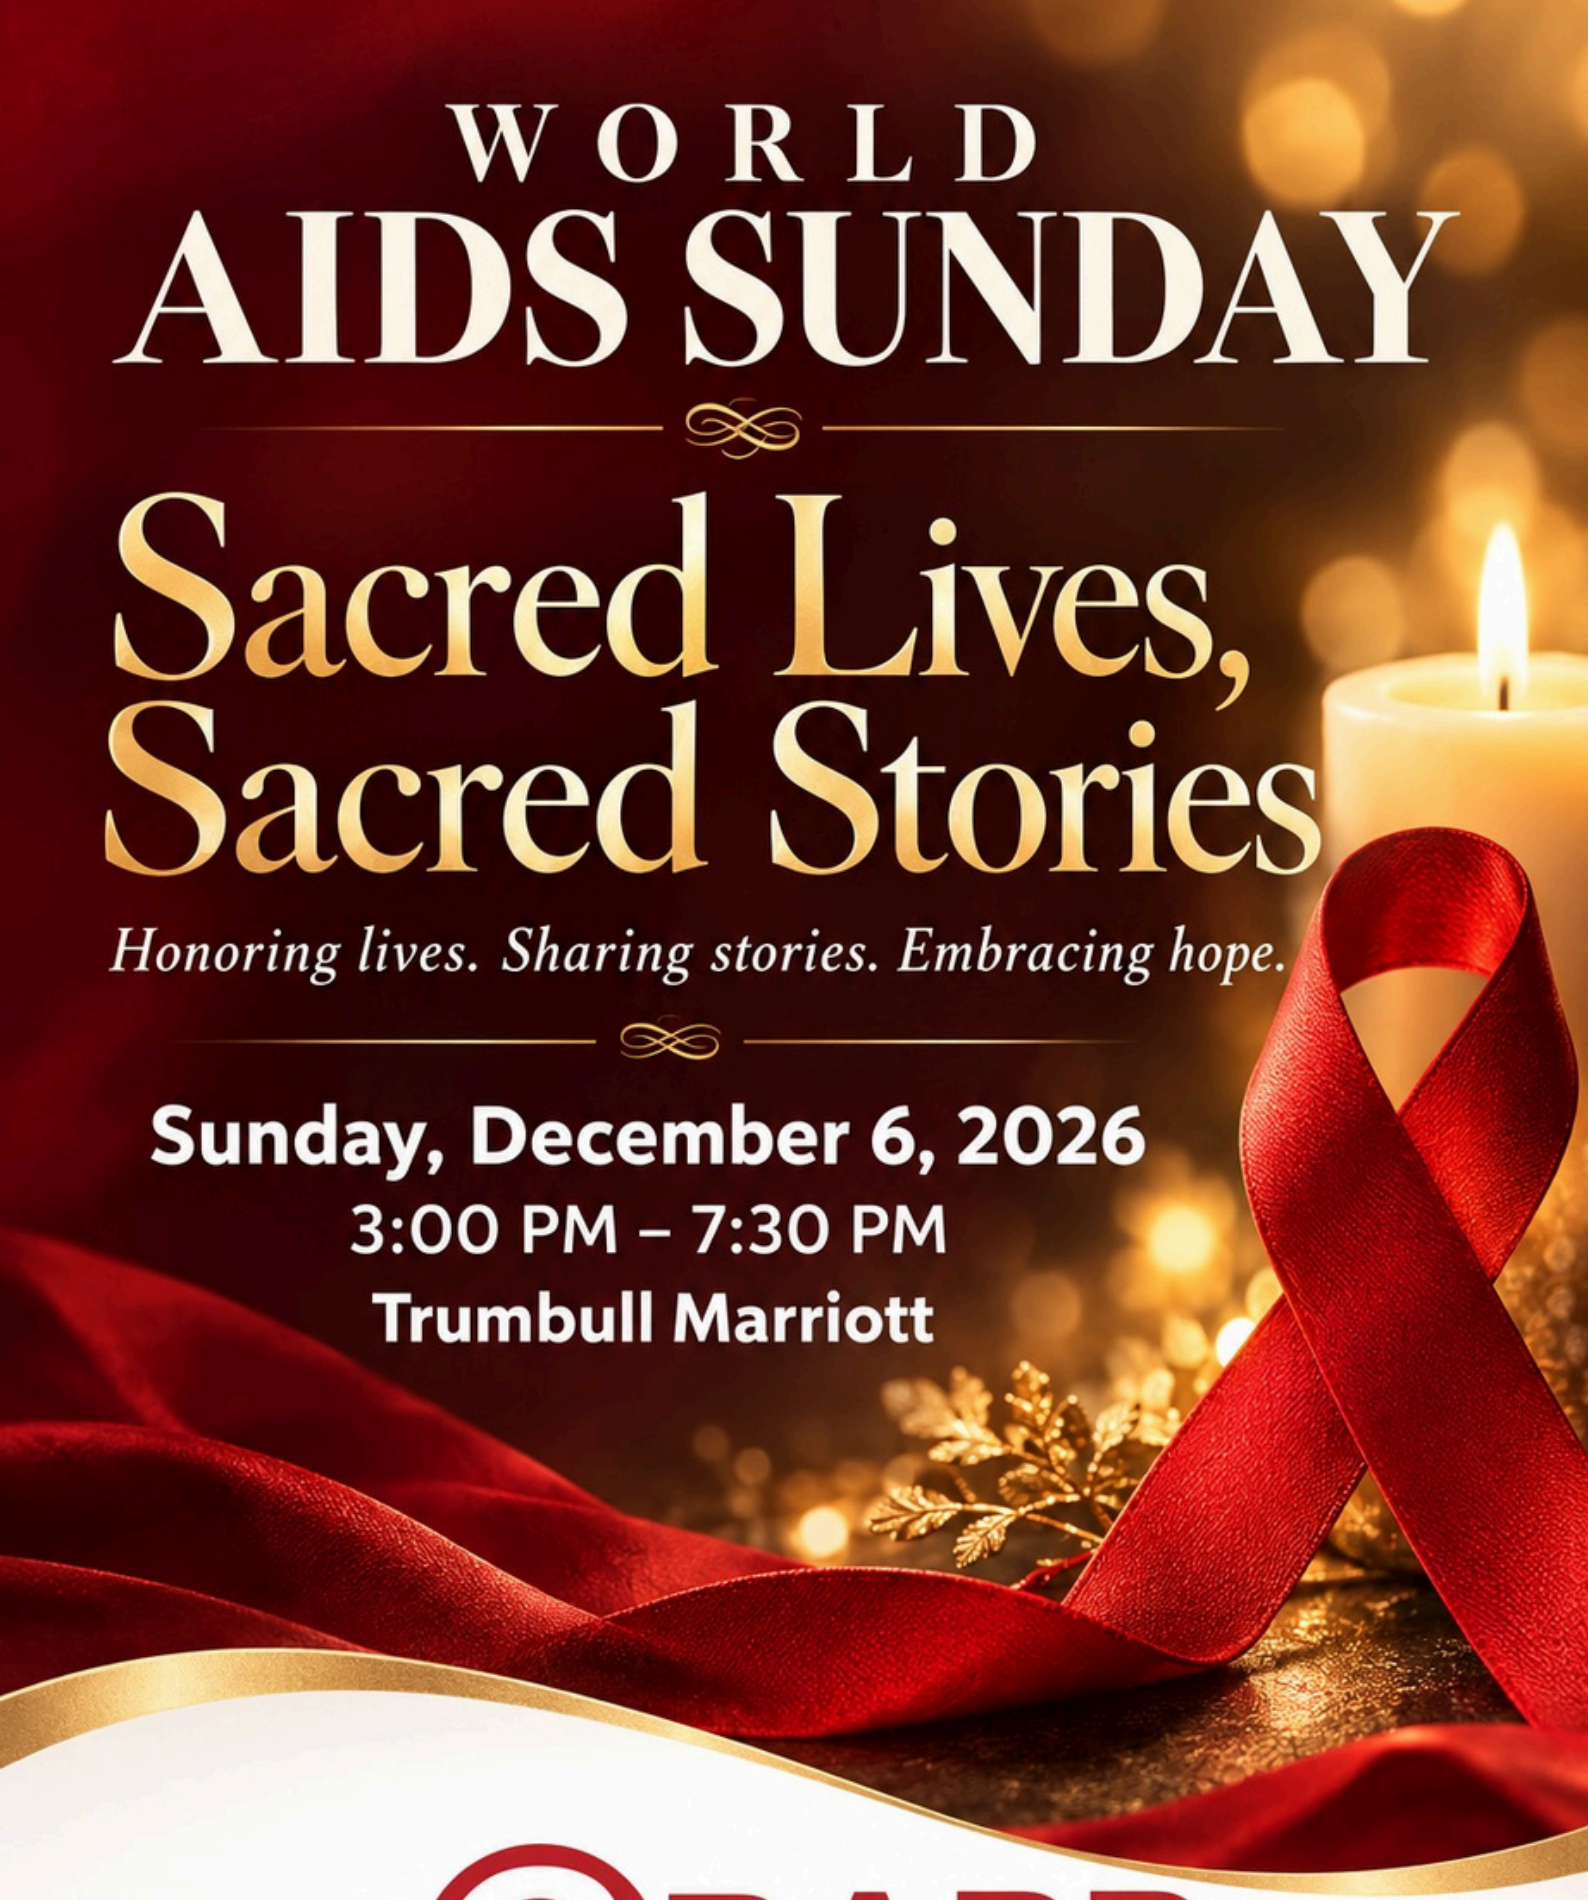

Please email Val at val.doty@apnh.org with photos of your work, artist name, name of pieces, and size of artwork. Artists can submit up to three pieces, each no larger than 18x24 inches (accomodations can possibly be made for larger pieces- please contact Val). There is no fee for submission. Contact Val with any other questions.

SUBMISSION DEADLINE IS NOVEMBER 19TH.
ART MUST BE DROPPED OFF BY NOVEMBER 24TH.
OPENING RECEPTION IS DECEMBER 1ST.
